ABSTRACT

Designed for educators, related service providers, parents, and others, this compact disc provides information on the Individuals with Disabilities Education Act of 1997. Contents include the statute in its entirety, complete final regulations, and analysis of comments taken verbatim from the Federal Register of March 12, 1999. Also included are topical briefs on critical issues, more than 400 presentation slides for use in training, over 50 policy and practice publications, and contact information for federally funded assistance projects. These supporting materials were prepared by and reflect the official position of the Office of Special Education Programs, U.S. Department of Education. The CD is compatible with a Macintosh computer with Mac 7.1 or above, or a PC running Windows 95 or 98 or NT. (CR)
